Bob Whyte
Naturescape
PO Box 78
Plympton MA 02367

We worked with a lot of contractors in building our home and Naturescape was far and away the most trusted and most reliable of all. Bob devised a sensible plan for us that divided our landscape projects into phases. Over the course of two years we have completed two major projects that have transformed our property into a beautiful and enjoyable part of our lives.

The thing that most distinguishes Bob from the rest is the thought that he puts into what he and his crew are doing. He provides great feedback and focuses on producing the best possible project outcome and saving his clients money. Bob has earned our trust and the quality of his work is second to none. We are looking forward to working with Naturescape again in the future.

Sincerely,
